

Curriculum Vitae

Meister, Michael, Dr. rer. nat.

Senior Scientist, Translational Research Unit (STF)
Thoraxklinik am Universitätsklinikum Heidelberg
Röntgenstraße 1
69126 Heidelberg
Phone: +46(0)62213961650
Email: michael.meister@med.uni-heidelberg.de

Education/ Training

1984-1991 University of Heidelberg, Diploma Biology
1991-1995 Department of Molecular Pharmacology, German Cancer Research Center (DKFZ) and University of Heidelberg, Dr. rer. nat.

Positions and Employment

1995-1999 Postdoctoral Research Fellow Cardiovascular Division, Brigham and Women's Hospital, Harvard Medical School, Boston, MA, U.S.A.
2000-2004 Senior Scientist, Department of Pharmacology and Toxicology, University of Ulm
2004 Senior Scientist, Thoraxklinik-Heidelberg
2005-2024 Head of STF, Thoraxklinik-Heidelberg
2025- Senior Scientist, STF, Thoraxklinik-Heidelberg

Research Field

- Prognostic and predictive biomarkers in thoracic malignancies
- Gene Expression Profiling Non-Small Cell Lung Cancer
- Systems Biology of Lung Cancer
- Signaltransduction

Activities in the scientific community

- *PI German Center for Lung Research (DZL),*
- *Co-PI in EU funded project: "Canceralia"*
- *Co-PI BMBF funded projects LungSysI, LungSysII"*
